Aftercare sheet for Environ Facial

For the First 8 Hours:

- Avoid self-tanning.
- Avoid cosmetic make-up (mineral make-up can be used).

For the First 24 Hours:

- Avoid swimming.
- Avoid heat treatments.
- Avoid any irritating treatments waxing, electrolysis, chemical peels etc.

Then

- Maintain great facial results by using Environ product between treatments.
- Always use a SPF product on your skin.
- Avoid Sunbeds and Sunbathing.
- If you want a tanned look, inquire about my unreal tan.
